Margarita Ruiz expresses joy to have Sister Thomas Bernard as part of our Mount community.

Celebrating the many contributions of the Sister's of St. Joseph of Carondelet to Mount St. Mary's College.

Sister Mary Brigid Fitzpatrick and President Jacqueline Powers Doud are attentive to the conversation they are having with Sister Katie O'Shea who resides in San Francisco.

Sisters Of St. Joseph

Our Sister's of St. Joseph have been faithful to their original mission of "helping women become all they are capable of being" and of "serving all persons without distinction." Our CSJ's are the light of our MSMC family by sharing their talents as a Dean, in a classroom, in justice acts, or extending a lending hand. They are unique women who make up this Mount community.

We are Spiritual Leaders

Marlene Simon warmly greets Sister Katherine Marie Kreta on being recognized for being part of the CSJ's.

We Put Our Heart Into It!

Campus Ministry

Stephanie Gomez encourages the audience to join in song.

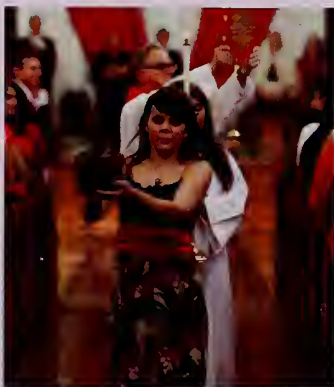

We live in a community of faith that gathers to pray and worship. At the beginning of every new academic year, the faculty, staff and students of the Mount come together for a joyous prayer to the Holy Spirit, asking for inspiration, courage and wisdom.

Workshops put on by Career Services & Internships cover it all. We have, "How to get into Med School or Law School or Business School"- and that's just in the fall. In spring, we focus on landing you an internship or job outside of the Mount, learning how to succeed and develop professionally is what these workshops are all about! Resume and cover letter writing and interviewing tips are topics too. Career Services offers so many workshops- there is always something to benefit you!

Workshops

Students learn about gestures and how they may affect their lives personally and professionally.

Students enjoy a delicious meal amongst teachers and other students at the Etiquette Dinner.

Fairs

Career Services & Internships holds various fairs for students like you. There is Nursing, Grad School and Job and Internships; everyone can find something to do. Employers come to campus to hire and talk about work or grad school. You can find opportunities without leaving campus- now isn't that cool?

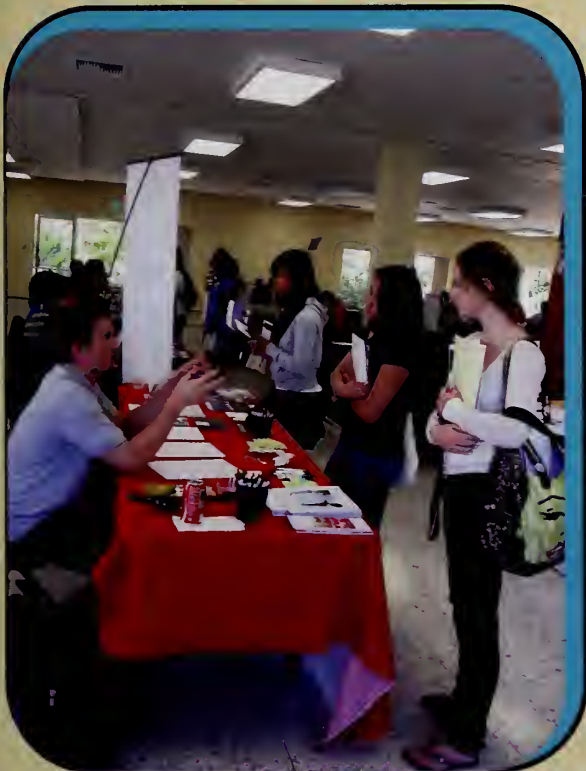

These fairs are free to attend and offer information, giveaways and treats. These programs are just one of the ways Career Services helps your future become sweet!

With many employers to shake hands, comes many new opportunities.

Community

For the past four years, the Office of Community Engagement, in collaboration with Campus Ministry and Alumnae Relations hosts an annual Invitation to Serve event in which MSMC faculty, staff, students, alumni and friends of the college are invited to spend the day in service to others. This year, over 75 participants converged on the Doheny campus to "Serve Our Dear Neighbor" at three different sites – LA Regional Foodbank, Downtown Women's Center and the Koreatown Youth & Community Center.

Thetas dug in, literally, and planted trees in the West- Adams residential neighborhood working with the Koreatown Youth & Community Center.

Invitation to serve

At the Downtown Women's Center volunteers learned about the difficulties facing homeless women and were able to sort donations of clothing.

LA Regional Foodbank: volunteers helped sort donations and put together bags of food to be distributed to charitable agencies or directly to disadvantaged families.

Engagement

Introduced in 1991, the Student Ambassador Program is one of MSMC's community/high school partnership programs that motivate thousands of high school students to complete high school and aspire to a college education. MSMC Student Ambassadors work with high school students and in many cases, with their parents. They answer questions which pertain to the college application process, preparation for college, college life, and financial aid. When possible, Ambassadors work with the high school from which they graduated. Thus, the Ambassador's very presence in the counseling office says, "If I can do it, so can you!"

LUAU

We are 'ohana

Every year there is a Luau held at the Doheny campus. It brings the entire campus community together in a celebration of Polynesian culture. The

Luau serves to demonstrate the Hawaiian and Polynesian culture through dancing, music, costumes, food, and arts and crafts.

Friends, family, and members of the Mount community are welcome to participate in the festivities!

Featured Event: De-Stress Day

De-Stress Day is an event held in both Fall and Spring around finals week. It is a great opportunity to de-stress and to socialize with other students. Students become re-energized after engaging in activities such as arts and crafts, meditation, and massages. For the Spring 2010 event, the local animal shelter brought precious animals to the Mount including bunnies, kittens, and puppies. De-stress Day is perfect preparation for students to be fully charged for finals!

Graduating Class of 2010

"I'm going to miss the dorm life and MSMC itself. It was a great experience overall. Graduation is very important to me. It means A LOT! It means I have accomplished something big in my life."
-Cindy Lopez

"Graduation means that I have achieved my goals. I set my mind to get an education and I did it. My hard work paid off. I see MSMC as my second home and it gave me an opportunity to meet great friends. After graduation I want to keep looking forward to my future as a wife, mom, and teacher."
-Monica Vargas

"It is a bittersweet feeling leaving MSMC. I never thought college life would be this amazing. Graduation is a great accomplishment to me because it is the ending of all these years of hard work and my parents sacrifices, but it is the beginning to my professional life. MSMC gave me the opportunity to meet a lot of wonderful people. I am truly going to miss it."
-Refugio Herrera

"I'm going to miss my friends and living in the dorms. It was fun and the experience of a lifetime. I'm going to miss the support I received from my professors, they have helped me reach for my goals."
-Yessenia Almeda

"To me graduation is an accomplishment that is indescribable to my heart. It felt so far to reach before I began my college education and feel truly blessed to have a degree. After Commencement, I look forward to the many surprises life has to offer. In them, I hope graduate school in the near future and getting the sense of independence by purchasing my own home and supporting myself."

Senior Farewell Dinner

Friday,
April 29, 2010

The Class of 2010 gathered for dinner in the Doherty Mansion to reflect on the years they shared together at the Mount. During the evening, seniors had the opportunity to share some of their favorite Mount memories. Continuing the tradition of giving back to the Mount, they presented their Senior Gift, which will fund the purchase of an umbrella table for the Circle. Dr. Sande Harte '86, chair of the Department of Sociology, Social Work and Gerontology, was the guest speaker, and Mariela Mendez '10 sang at the event.

2010

We have enjoyed our time!

Baccalaureate Mass

O God, our Light,

We ask you to shine in our hearts, and our actions, and to be the light
that the darkness of our world shall never overcome.

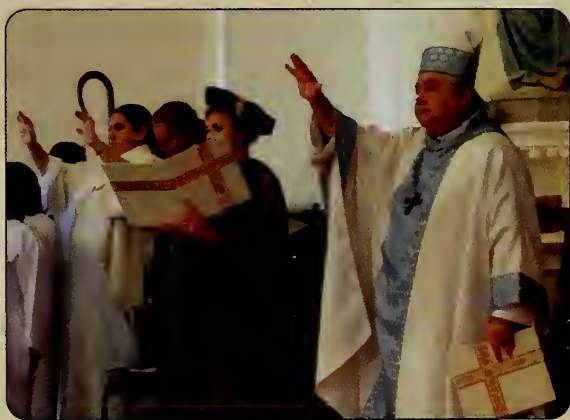

O radiant source of hope and wisdom,

Give to us the courage and strength to shine your light

Of peace, justice and healing upon the world into which you now send us.

We ask this through Christ our Lord.

Amen.

May 10, 2010:

The Gibson Amphitheater was crowded with cheering family members, faculty, and staff who came together to honor Mount St. Mary's College graduating Class of 2010. It was a day which will be forever marked in the hearts of the Class of 2010, leaving all those late night study sessions and last minute papers behind and realizing the end of the journey finally arrived. Caps and gowns had been waiting in the closet for over two weeks, ready to walk across the stage. The tension of losing the tickets was a thriller, but also those who were in need of tickets did anything possible to have all their loved ones with them on that day. The day finally came; feelings of anxiety and nervousness were present within many graduates because once they shook Dr. Doud's hand meant that they had accomplished a great milestone in their life. Congratulations Class of 2010! Make us proud.

We Are Achievers

Congratulations Seniors on behalf of the Alumnae Association

You did it! You are now part of a network of more than 16,000 graduates. The Alumnae Association exists to keep you connected with the Mount and each other by providing involvement opportunities, communications and valuable services.

As a graduate of the Mount, you are entitled to alum privileges, including:

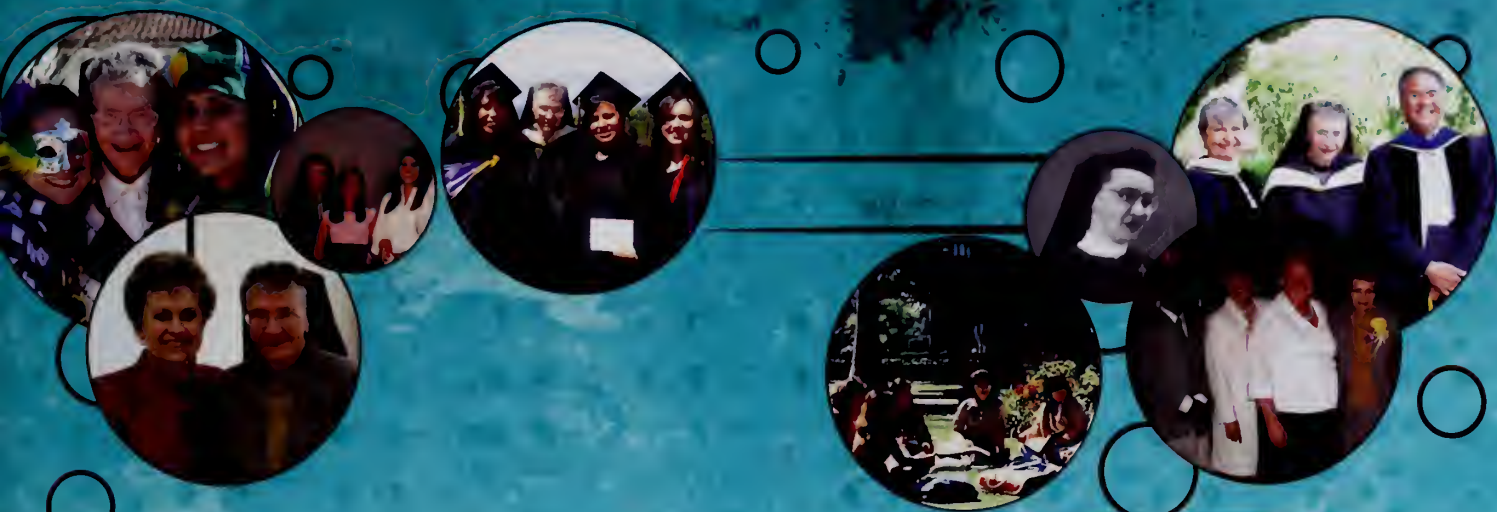

- Automatic membership upon graduation (no membership dues)
- Annual subscription to The Mount, MSMC's magazine
- Annual subscription to AlumNews, published twice a year
- Invitations to events sponsored by the Alumnae Association and the College
- Use of Career Center, Library and Fitness Center (both campuses)
- Free course audit privileges — one course per semester (for personal enrichment, not credit)
- \$1,000 Annual Alum Legacy Grant for children of alums registered at MSMC
- Opportunities to serve on Alumnae Association committees
- Access to Alum insurance, travel and credit programs

You will also have access to **Mount AlumLine** an interactive social networking Web site for alums. Now you can stay in touch with classmates, network with fellow alums, register for events and see what is happening at your alma mater.

Help us stay in touch with you by keeping us updated with your current address, e-mail and work information.

2002-2003: Acting AA Dean

2003-2004: Returned to the English Department as full-time faculty

2004- 2010: Baccalaureate Dean

'I will miss working with students, faculty and staff full-time. I made wonderful friends.

I will still be on campus working part-time; Mondays and Thursday in the Learning Center helping students with their writing. I love teaching English.'

Congratulations Katrina!

Dear Tina / Katrina,
You are about to achieve a very hard-earned and important goal. You've focused your effort, distinguished yourself academically, and are now poised to step into a very rewarding career at the location where it all began in 1971, Torrance Memorial Hospital! Your Mother and I are very proud of your accomplishments and wish you every success in your new career!
Love always, Mom & Dad

Big sister, I'm so proud of you and what you have accomplished. It's been amazing to watch you blossom into a beautiful and confident nurse. There is nothing better than the feeling of reaching a goal through hard work.
Enjoy! I love you!
Annissa

Katrina,
Congratulations on your graduation! We are so proud of you and happy for your accomplishment.
Best of luck in the new career.
We Love you, Josh, Presleigh and Elizabeth

Sonia Singh

You are the first female child born in our family. Your birth was celebrated as we knew you everything that you could have ever asked for. We were so close with you the more time we had a closer to you. You never demanded and came from us but rather you always shouldered us as a man in our most difficult times. I was amazed as a father when I saw you taking care of your mom when she was sick. That was a turning point of my life as a father. I always knew that you are an independent girl but that day I was amazed that you can take care of yourself. For your mother you are the most caring person, and a best friend. Your mom always checks the top rules, sitting behind you on your computer. For Mum's with Angad you are a wonderful sister. I must say you is a happiness person to have you as his wife. You are an inspiration for our family, especially for Angad. We are so proud and happy that you completed your degree in nursing.

We are proud that you pursued your dream of making a difference in people's life. We love you and we are very proud of you.....Luv Mum & Papa

Dear Sonia

I want you to know that you are a precious gift God has given me. You are a person to whom I can look up to for love, care, happiness. Whenever I feel weak, disturbed or helpless in my life, I simply look at you and know that everything is going to be fine. You have such an aura that makes me feel very comfortable and fills me up with lots of positive energy. I live very relaxed life because I know someone is there to look after me. I am so proud that you are a very special part of my life.....Monia

Dear Sonia,

I met you on June 3, 2003 and fell in love with you. From that day on my life has changed dramatically. You have taught me to enjoy little things in life. Being a business minded, I was putting enjoying my life for later years but you basically taught me to stop for a moment and smell the roses. I love your company and comments on our life's ups and downs. You are full of talent. You do everything neatly and gracefully. I can go on and on about how wonderful you are and fill up the whole yearbook but the best thing is that you are my wife and I love you.

One of the memorable days of your life, aside from meeting me, was getting accepted into MSMC. I cannot explain in words how happy you were and how happy I was to see you happy. I was really surprised to see how determined you were to achieve your goal. I want to wish you the best in your career and future. I am proud of your passion about making a difference in other people's lives. I am really proud of your accomplishments and you have made, and will continue to make, differences in my life

Always yours, Jessie

Letter from the Editor

The 2009-2010 academic year is now a chapter in our history book. This year went by super fast; all the activities, events, assignments, tests, presentations, and service learning experiences have challenged us and shaped us to become more of who we are. I am honored to serve as this year's Yearbook Editor. It was a lot of work, but not impossible. Thank you to all of the Yearbook Staff for putting a lot of effort, hard work, dedication, and time into completing this Yearbook that will be forever yours to keep. May the Mount bring you many wonderful memories that you will always treasure. Good luck on the rest of your years here.

I want to thank Cindy Lopez, for coming in with me and making this a long lasting memory book. Also, special thanks to the following students; Michelle Acosta, Lauren Moreno, Nancy Saavedra and Amelia Sili for contributing in putting the finishing touches to the Yearbook. Another great year has gone by and I am glad I was a part of it. I am truly grateful to my parents that I got the opportunity to create a family, friendships, and a career here. Though my time here at the Mount is over, I wish all undergraduate students a lot of prosperity, success, and strength to reach your goals.

2009-10 retrospective

YANKEES BACK ON TOP ►

The New York Yankees defeated the Philadelphia Phillies in six games to win the 2009 World Series, and claim their record 27th championship. Outfielder Hideki Matsui hit .615 in the series and became the first Japanese player to win World Series MVP.

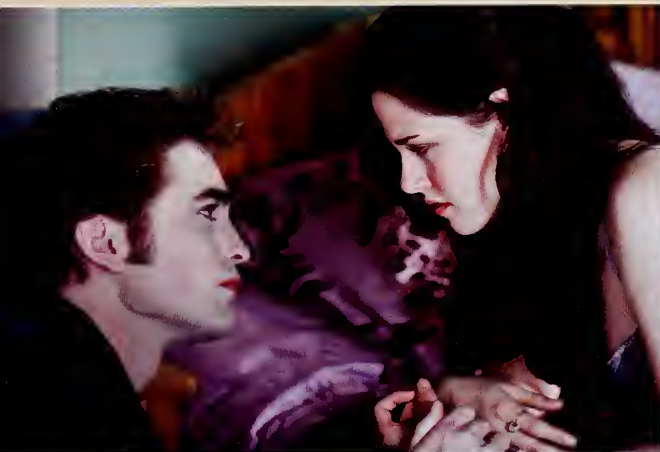

DISASTER BEYOND BELIEF ►

A powerful earthquake, measuring 7.0 on the Richter scale, hit just outside Port-au-Prince, the capital city of island nation Haiti. More than 150,000 people were killed, nearly 400,000 lost their homes and were left scrambling for aid and several of the country's historic landmarks were destroyed.

A NEW MOON AT THE MOVIES ▼

Many theaters sold out as early as two months in advance when *New Moon*, the second movie in the *Twilight* series, made it to the big screen. The romantic tale of Bella Swan and her vampire boyfriend Edward Cullen made more than \$72 million on its opening day, thanks largely to the teen audience.

WAR ON TERROR ▲

About 68,000 U.S. troops were stationed in Afghanistan to fight the Taliban as President Barack Obama planned to send an additional 30,000. He also stated a goal of bringing troops home beginning July 2011.

GOOD-BYE TO THE KING OF POP ◀

Michael Jackson, considered one of the most influential and famous musical entertainers, collapsed in his home and later died from an overdose of prescription medicine given by his doctor. Jackson's sudden death led to much reflection and debate about his eccentric life.

ABLE AND UNEMPLOYED ◀

There were signs the nation was climbing out of the recession, but job hunters could not tell. U.S. unemployment reached 10.2%, the highest since 1983. The unemployment rate for teens reached a record 27.6%.

○ CANADA! ▼

The 2010 Winter Olympics were held in Vancouver – the third Winter Olympics hosted by Canada. Athletes from more than 55 countries competed in 86 different winter sports.

ARMY BASE MASSACRE ▲

An army psychiatrist at Fort Hood, Texas, allegedly opened fire on base, killing 13 people and wounding 30 before being wounded. Investigators were trying to determine whether Major Nidal Malik Hasan, an American, had terrorist ties.

HEALTH CARE DEBATE ▲

Americans loudly voiced their opinions about health care reform. During Congress' August recess, people shouted down their congressmen at town hall meetings. Cost was a hot button, with reform bills in Congress ranging from \$848 billion to \$1.052 trillion.

FLU VACCINE SCARCITY ◀

While the government asked the public to take the H1N1 influenza seriously, vaccine shortages occurred because it could not be made fast enough. Then people had to decide whether to get the "regular" and the H1N1 vaccines – available in shot and nasal mist forms.

In Loving Memory of:

Edwiges Hamblet

Adjunct faculty in English, lost her long battle against cancer on December 21, 2009. Edwiges was a 1986 Mount graduate with a BA in Political Science and received her J.D. in 1989 from the Loyola Law School of Loyola Marymount University. She worked at Deloitte as a Pacific Southwest Market Leader before returning to the Mount in 2005 to teach part time. We understand that she counted teaching at the College as some of her happiest days.

Nancy McCook

We are saddened to learn of the passing of Nancy McCook, a long-time friend of the College. As a returning student, Nancy completed her BA in English in 2001 and began studies in the Humanities Program. For the past few years, Nancy served as administrative assistant to Dr. Millie Kidd, Director of Humanities, and was active in the community of Graduate students.

Sister Miriam Therese Larkin was a Trustee of the College and adjunct faculty member. She passed away peacefully at the Carondelet Center from terminal cancer. Sister Miriam ministered with distinction in higher education and in various leadership roles. During 1965-1982, she taught Philosophy at the Mount and touched the lives of many of our alumnae. Sister also served as the General Superior of the Sisters of St. Joseph of Carondelet during which time she also held a term as president of the Leadership Conference of Women Religious and a term as president of the Federation of Sisters of St. Joseph.
